SHORT NOTES ON SUBJECTS FOR DISCUSSION
AT THE NEXT MONTHLY CONFERENCE.

Item .1. South Kanara Extension - Ordering of equipment for Substation in anticipation of finalisation of agreement with Mysore Government.

The agreement for supply of power to South Kanara has not been accepted by Government of Mysore. Government have approved ordering of line materials for the South Kanara Scheme in anticipation of finalisation of agreement with Mysore. In this office letter No.2214E/51-9 dated 21-11-51 a similar approval was requested for placing orders for transformers and Substation equipments. In their Memo.No.5005/49-74 dated 23-11-51, Government have asked whether in case the South Kanara Scheme does not go through, these materials could be used elsewhere. A reply is being sent separately to the Government Memo. dated 23-11-51 that the materials could be usefully diverted for use on other works in the Department. As such urgent approval of Government is requested for placing of orders especially as tenderers who have quoted will not be prepared to keep their quotations ~~rated~~ valid indefinitely.

Item.2. Electricity Department - Establishment - Temporary Papanasam Electricity System - Commericial-cum-Construction division - Formation of -

Proposals were forwarded to Government in Chief Engineer's letter No.1437H/51-1 dated 20-8-51 for the formation of a Commercial-cum-Construction division in the Papanasam System with headquarters at Madurai. In Government Memo.No.73028R/51-6 dated 6-11-51 it was stated that the matter was under consideration and orders would be issued in due course. As the formation of the division is an urgent necessity for the speedy and efficient execution of the Construction works in the System. Very early orders of Government sanctioning the proposals are requested.

Electricity - Monthly conference - December

p3 cr

From the C.E (E) No 2204/51-19 d 29-11-51

The C.E (E) has suggested the following two subjects for discussion at the monthly conference in December 1951:-

p3 cr

A

1. South Kanara Extension scheme - Ordering of equipment for substations in anticipation of finalisation of agreement with the Govt of Mysore.
2. Establishment - Temporary - Papanasam Electricity system - Formation of a Division for commercial - cum - construction works - Proposals.

He has, however, suggested that there will be no need for a conference this month if orders of Govts on these two subjects can be expedited.

2 The present stage of the proposals referred to at 'A' above is as follows:-

Item 1 above. Following the assurance given by the C.E (E) that the materials for which he proposes to place orders for the S. Kanara scheme, can be usefully diverted for use on other works in the Deptt if the scheme does not go through, and the conclusions reached at the conference on 4.12.51 with the Hon Sri T.T. Krishnamachari on the S. Kanara case, it is now proposed to approve the C.E's proposal to place orders for transformers and substation equipment in anticipation of the completion of the agreement for the supply of Jog power to S. Kanara. The file has been ~~submitted~~ separately with a draft memo to Fin.

Item 2 above. The proposal as approved by the S.F.C has since been ~~approved~~ complied with by the cabinet at its meeting held on 6.12.51. The decision is awaited.

In view of the position stated above, the two subjects under reference need not be discussed in a conference. The C.E (E) may be informed that orders on these subjects are likely to be issued shortly. A draft memo is submitted
